

'For Harvard' Team

Purpose:

To make a difference as a Harvard community in Australia

Mission:

- Enhancing → build on existing as well as create new contributions towards
- Harvard's → whose mission is "to advance new ideas and promote ensuring learning"
- reputation → what we do (or don't do) as well as how we do it
- in Australia → not specific to any states
- and vice versa → focus also on all 12 Harvard schools and broader alumni communities

Vision:

- A strong and diverse → socioeconomic, gender and geographic representation of Australian society
- pipeline of talent and ideas → prospective, current and past students, Harvard professors and contributors as well as their intellectual contributions
- flowing between → pathways both to and from
- the Harvard community → not just in Boston, but globally (incl. Alumni groups)
- and Australia → focus on breadth of impact as well as depth for few of great potential
